

EU AI Act

A. EU AI Act: first regulation on artificial intelligence (Moodle handout)

1. Read the text and work on the vocabulary task.

ban – compliance – fundamental – implement – incident – MEP – obligation –

Parliament – regulation – risk-based – transparent – vulnerable

- a) fundamental very important; forming the base or core of something
- b) Parliament a group of people who make laws for a country or region
- c) ban an official rule that says something is not allowed
- d) regulation an official rule or law
- e) implement to put a plan or rule into action
- f) vulnerable easily hurt or harmed
- g) MEP Member of the European Parliament
- h) obligation something you must do because it is your duty or because of a law
- i) transparent open, honest, and easy to understand
- j) compliance following rules or laws
- k) risk-based decided or organized according to possible dangers or risks
- l) incident an event, often something unexpected or unpleasant

2. In small groups, discuss advantages and disadvantages of the EU AI Act.

B. European Commission on AI Questions & answers (Moodle handout)

1. Within your group, read and discuss your opinions on each of the following:

- Why do we need to regulate the use of Artificial Intelligence? (page 1)
- Is the AI Act future-proof? (page 4)
- How will the AI Act be enforced? (page 6)
- What is the international dimension of the EU's approach? (page 9)

2. Identify and discuss 2-3 more Q & A's within your group.

C. Group presentations

- Informally present highlights of your group discussions.
- Each person must have at least one short speaking role.
- Use signposting phrases and presentation strategies learned in class.
